## **Movers Specialty Service, Inc. Featured in the March/April Issue of AMSA's Direction Magazine**

Montgomeryville, Pennsylvania – April 24, 2010 - Movers Specialty Service, Inc. (MSS) is featured in the March/April issue of The American Moving & Storage Association's Direction magazine. The article comes on the heels of MSS winning the AMSA Summit Award for supplier excellence.

Headlined "**Sweating the Small Stuff**" and written in Q & A format, the article is an interview with Tim Hughes, President/CEO of MSS. Mr. Hughes founded MSS in 1978 and is today the top executive of the largest specialty services company of its kind in the moving and relocation industry. In the article, Mr. Hughes discusses his company's approach to quality customer service and technology innovation and sites these as key factors to MSS's ongoing success, even in today's challenging relocation market.

Direction magazine is the official publication of the American Moving and Storage Association and is widely distributed throughout the moving industry. It is published bi-monthly and provides both news and in-depth feature articles on relocation industry happenings and trends.

You can view the entire article on the MSS website: [www.mss1.com](http://www.mss1.com).

#### **About Movers Specialty Service, Inc.**

Headquartered in Montgomeryville, PA, MSS provides expert custom crating and specialized handling services to the relocation industry, as well as the local fine arts and commercial crating markets.

In the national relocation market, MSS partners with moving companies and relocation management corporations in the safe handling of specialty household items by providing crating/uncrating, disconnect/reconnect, and disassembly/assembly services to corporate transferees.

MSS' Local Operations include the MSS Commercial Crating Division (industrial crating solutions to local manufacturers and distributors) and MSS Fine Arts Division (protecting fine art and antiques for museums, artists, private collectors, auction houses, and galleries).

**About AMSA** - The American Moving & Storage Association, headquartered in Alexandria, Va., is the trade association representing the nation's moving and storage companies, which provide household goods moving services, specialized transportation for sensitive freight such as computers and trade show exhibits, and warehouse storage services. The association has 3,200 members, including more than 200 international members, and sponsors programs and activities that promote consumer protection, professional development, safety, and operational efficiency.
