Local Specialty Provider Serving Niche Markets in Commercial Crating and Fine Arts Handling

Montgomeryville, Pennsylvania – June 15, 2010 - Movers Specialty Service, Inc. (MSS) has announced a new business development strategy to promote the company's local niche service offerings and leverage its renowned logistical and custom crating capabilities to commercial markets. A firmly established national player in the corporate relocation industry, it is lesser known that MSS has also long served the Fine Arts and Commercial Crating markets throughout the PA / NJ / DE Tri-State.

MSS has over 30 years experience serving local artists, collectors, non-profits and commercial clients by employing specially trained and certified technical experts in the meticulous techniques required to protect and store fine artwork, delicate antiques, and precision industrial equipment.

The MSS Fine Arts Division offers services related to protecting art and antiques for museums, artists, private collectors, auction houses, and galleries. MSS' Fine Arts Division has worked with clients including: The Franklin Institute, The National Archives, LaSalle University, The Academy of Natural Science, and Pearl S. Buck International.

The MSS Commercial Crating Division offers industrial crating solutions to manufacturers, pharmaceutical companies, and distributors. MSS has provided these services to corporations such as: Boeing, Siemens, Pfizer, Dow, Intel, Johnson & Johnson, and Home Depot.

About Movers Specialty Service, Inc.

Headquartered in Montgomeryville, PA, MSS provides expert custom crating and specialized handling services to the relocation industry, as well as the local fine arts and commercial crating markets.

In the national relocation market, MSS partners with moving companies and relocation management corporations in the safe handling of specialty household items by providing crating/uncrating, disconnect/reconnect, and disassembly/assembly services to corporate transferees.

MSS' Local Operations include the MSS Commercial Crating Division (industrial crating solutions to local manufacturers and distributors) and MSS Fine Arts Division (protecting fine art and antiques for museums, artists, private collectors, auction houses, and galleries).

“We are very good at this,” said Chris Hughes, the company’s Vice President Network Logistics who oversees all MSS local operations. “Careful handling and custom protection of our customers’ most precious items has always been our hallmark, whether the customer is a corporate transferee, local artist or major pharmaceutical company.”

MSS Fine Arts website at <http://mssartpack.com/> and MSS Commercial Crating at <http://www.crating-service.com/> are dedicated to each Division’s business specialty for more information. Customer inquiries are directed to Roger Stone at RogerS@mss1.com.
